civil society in malerkotla punjab fostering resilience through religion by karenjot bhangoorandhawa explores the direct role that religion plays in conflict and peace that has often been difficult

to isolate this study extends previous work on peace and conflict resolution by looking at a town which has witnessed many outbreaks of violence in the past but still holds peace as the norm the former princely state of malerkotla punjab is a place where riots did not occur during partition in this unique muslim majority town there are four distinct religious groups that live in close proximity to each other yet the overall pattern of peaceful plurality in the town has resulted in the transcendence of violence even when the threat looms close by the unique case of malerkotla punjab provides an opportunity to look more closely and critically at sikhs and their relationship with muslims in india as a case study this work captures the overall pattern of sikh muslim interaction in a town that can transcend conflict and make peace the norm randhawa uncovers how religious associations expressions and activities have helped to build social capital and stabilize peace this book also emphasizes interreligious understanding cross cultural awareness and conflict transformation and discusses how interfaith communities can work together to bridge understanding in order to prevent violence

an exploration of the serialization of children s classics by contemporary publishers this book digs into the impact of the practice and provides new ways of reading the corpus of british children s literature from the 20th century amy webster demonstrates how publishers select texts for their series which texts they omit which outliers are sometimes included and how a core group of works from the golden age of children s literature emerged the text also examines how texts are abridged and transformed from publisher to publisher through close readings of the wind in the willows and alice s adventures in wonderland and how the repackaging of works within a series highlight issues and choices tied to key paratextual elements analysing data through distant reading and close reading of series from ladybird longman puffin and walker illustrated editions this book sheds light on how modern classics series are marked by variation and instability but also a reductive homogeneity through her use of quantitative and text focused research webster reveals how commercial motivations have created a gulf between the canonical concepts of the classic and how the term functions as a marketing tool in british children s publishing with notions of what counts as a classic compromised and complicated this book leads the call for a critical approach towards both the term classic and to reading children s classics that acknowledges how they are tied to the commercial enterprises of the children s book business
